

Pat Dwyer needs no introduction ...if you're his mom. But you're likely not his mom, so we thought we should give you a little bit of context before he takes over.

Aside from Pat Dwyer being a professional speaker, comedian and writer, Pat has worked, toured, performed and taught with comedic institutions The Second City, iO Theater, and ComedySportz for over 20 years. He's spearheaded leadership teams at a number of tech startups, including Groupon, and has been a key culture, creative and leadership consultant for multiple fortune 500 companies.

Phew. Now that his resume is out of the way, and before we begin, I'd also like to note that Pat is a Junior Park Ranger at over 60 National Parks, Sites and Monuments around the United States. While Pat got all of his after he was 25, this is an honor which is traditionally reserved for 5-12 year olds.

Without further ado, PAT DWYER!!!!!!!
